Dear [REDACTED] STATOTHR

As Director of University Affairs for the Georgetown University International Relations Club, I am responsible for arranging field trips to various organizations in the DC area that deal with international relations. I was wondering if it might be possible to have a tour of the Agency on the morning of Friday, 5 October 1979. School of Foreign Service Assistant Dean Putnam Ebinger referred me to you on this matter. I am tentatively planning on 100 to 150 Georgetown students attending. Would this be possible?

10-12 o'clock  
12 Oct  
625-4216

Would it also be possible to have a spokesman from your Agency speak to the students on the topic: "The Role of the CIA in influencing American Foreign Policy"? This topic could of course be applied to a multitude of current international situations.

I look forward to hearing from you on this matter. Thank you for your attention.

Sincerely,

Don Mitchell--Dir. of Univ. Affairs
